Additional Questions With Answers Iv Long Answer Type Questions

1. Read the following passage carefully and answer the questions:

"With some of the fastest growing economies in the world. ASEAN broadened its objectives beyond the economic and social spheres. In 2003, asean moved along the path of the EU by agreeing to establish an ASEAN Community comprising three pillars, namely, the Economic Community and the ASEAN Social-Cultural Community."

(i) When was ASEAN established? Name the countries which formed ASEAN.

(ii) Explain any three objectives of the ASEAN community.

View Text Solution

2. Read the following passage carefully and answer the questions:

ASEAN was and still remains principally an economic association, While the ASEAN region as a whole is a much smaller economy compared to the US the EU, and Japan, its economy is growing much faster than all these. This accounts for the growth in its influence both in the region and beyond. The objectives of the ASEAN Economic Community are to create a common market and

production base within ASEAN States and to aid social and economic development in the region. The Economic Community would also like to improve the existing ASEAN Disputes Settlement Mechanism to resolve economic disputes. ASEAN focused on creating a Free Trade Area (FTA) for investment, labour and services. The US and China have already moved fast to negotiate FTAs with ASEAN.

(i) What is the objective of ASEAN Economic Community?

(ii) Why did ASEAN establish Free Trade Areas (FTAs) ?

(iii) How ASEAN Economic Community would resolve economic disputes?

(iv) Which countries have already moved fast to negotiate FTAs with ASEAN and why?

View Text Solution

3. Read the following passage carefully and answer the questions:

The conflict of 1962, in which India suffered military reverses, had long term implication for India-China relationa. Diplomatic relations

between the two countries were down graded until the two countries began to improve slowly. After the change in China's political leadership from the mid to late 1970s, China's policy became more pragmatic and less ideological. So it was prepared to put off the settlement of contentious issues while improving relations with India. A series of talks to resolve the border issues were also initiated in 1981.

(i) Why did India suffer ,military reverses as a result of conflict of 1962?

(ii) When did the relations between India and

China began improves.

(iii) What was the change in the policy of China in the seventies?

(iv) Which efforts were made to resolve the border issues between India and China?
