## BOOKS - NAVNEET SCIENCE (HINGLISH)

### FIND OUT THE CORRELATION

#### Heredity And Evolution

1. m-RNA : Transcription :: t-RNA : .....

[View Text Solution](#)

2. Peripatus : Connecting link :: Appendix : .....

[View Text Solution](#)

3. Open circulatory system : Arthropods :: Thin cuticle and parapodia : .....

[View Text Solution](#)

4. Between Annelida and Arthropoda :  
Peripatus : ..... : Lungfish

**View Text Solution**

5. Theory of natural selection : Charles Robert  
Darwin :: Theory of inheritance of acquired  
characters : .....

**View Text Solution**

6. 2,50,00,000 years ago : Drypithecus : :  
1,50,000 years ago : .....

 [View Text Solution](#)

7. Wisdom teeth : Vestigial organs : : Lungs fish  
: .....

 [View Text Solution](#)

**Life Processes In Living Organisms Part 1**

1. Process that occurs in the cytoplasm :

Glycolysis : : Process that occurs in the

mitochondria : .....

[View Text Solution](#)

2. Skin : Keratin : : Blood : .....

[View Text Solution](#)

**3. Breakdown of glucose molecule : Glycolysis :**  
: Formation of glucose from proteins : .....

**View Text Solution**

**4. Condensation of chromosomes : Prophase :**  
: Formation of spindle fibres : .....

**View Text Solution**

5. Division of nucleus : Karyokinesis : : Division of cytoplasm : .....

[View Text Solution](#)

## Life Processes In Living Organisms Part 2

1. Accessory whorls : Calyx and corolla : : Essential whorls : .....

[View Text Solution](#)

2. FSH : Development of oocyte : : LH : .....

[View Text Solution](#)

## Environmental Management

1. Rare species : Musk deer : : ..... : Lesser  
florican

[View Text Solution](#)

2. Red panda : Rare species : : Giant Squirrel :

.....

[View Text Solution](#)

3. Nitrogen, oxygen : Gaseous cycle : : Soil and

Rocks : .....

[View Text Solution](#)

4. Manas : One horned Rhino : : Gir : .....

[Watch Video Solution](#)

5. Mumbai : Bombay Natural History Society : :

Tehri Garhwal : .....

[View Text Solution](#)

## Towards Green Energy

1. Thermal power plant : Air pollution : :

Nuclear power plant : .....

[Watch Video Solution](#)

2. Electrical energy generated through solar cells : DC : : Electrical energy required for domestic appliances : .....

[Watch Video Solution](#)

3. Hydroelectricity plant : Water storage : : Nuclear power plant : .....

[Watch Video Solution](#)

4. Chulha/Burner : Thermal energy : : Sewing machine : .....

[Watch Video Solution](#)

## Animal Classification

1. Annelida : Earthworm : : Platyhelminthes :  
.....

[View Text Solution](#)

2. Parapodia : Annelida :: Tube feet : .....

[View Text Solution](#)

3. Frog : Amphibia :: Turtle : .....

[View Text Solution](#)

4. Proboscis : Hemichordata :: Suctorial mouth  
: .....

[View Text Solution](#)

# Introduction To Microbiology

1. Bread : Baker's yeast : : Soya sauce : .....

[View Text Solution](#)

2. Coffee : *Coffea arabica* : : Cocoa : .....

[View Text Solution](#)

3. Oil slick : Alcanovorax : : Rubber from garbage : .....

 [View Text Solution](#)

4. Conversion of metals into compounds : Thiobacilli : : Conversion of uranium salts : .....

 [View Text Solution](#)

**Cell Biology And Biotechnology**

1. Interferon : ..... : Erythropoietin : Anaemia.

[View Text Solution](#)

2. .... : Dwarfness : : Factor VIII : Haemophilia.

[View Text Solution](#)

3. White revolution : Increase in dairy production : : Green revolution : .....

[View Text Solution](#)

4. Nostoc, Anabaena : Biofertilizers : : Alfalfa :

....

[View Text Solution](#)

## Social Health

1. Movement against tobacco : Tata trust : :

Education of slum children : ....

[View Text Solution](#)

2. Radiations from cell phones : Headache : :  
..... : Hindrance to the brain development.

 [View Text Solution](#)

## Disaster Management

1. Earthquake in recent times : Gujarat, Latur : :  
Devastating floods in 2018 : .....

 [Watch Video Solution](#)

2. Toxic gas leakage : Accidental disaster : :

War : .....

**Watch Video Solution**

3. Sun spots : Atmospheric type of disaster : :

Salinization : .....

**Watch Video Solution**

4. Pre-disaster management: Preparation and warning: : Post-disaster management : .....

**Watch Video Solution**
