

# BIOLOGY

## BOOKS - XII BOARDS PREVIOUS YEAR

### EXAM REVISION SERIES

**Others**

#### 1. Ex-Situ vs In-Situ Conservation

**Watch Video Solution**

## 2. Species - Area Relationship

[Watch Video Solution](#)

## 3. Exonucleases and Endonucleases

[Watch Video Solution](#)

## 4. Palindromic Nucleotide Sequence

[Watch Video Solution](#)

## 5. Production of Human Insulin

[Watch Video Solution](#)

## 6. Golden Rice

[Watch Video Solution](#)

## 7. Standing Crop vs Standing State

[Watch Video Solution](#)

## 8. Primary Productivity (GPP and NPP)

[Watch Video Solution](#)

## 9. Primary vs Secondary Pollutant

[Watch Video Solution](#)

## 10. Biomagnification vs Eutrophication

[Watch Video Solution](#)

## 11. Homologous and Analogous Organs

[Watch Video Solution](#)

## 12. Natural Selection and Artificial Selection

[Watch Video Solution](#)

## 13. Trypanosomiasis

[Watch Video Solution](#)

## 14. Life Cycle of Plasmodium

[Watch Video Solution](#)

## 15. Leydig vs Sertoli Cells

[Watch Video Solution](#)

## 16. Vasa Efferentia vs Vasa Deferentia

[Watch Video Solution](#)

## 17. Primary vs Activated Sludge

[Watch Video Solution](#)

## 18. Biogas Production

[Watch Video Solution](#)

## 19. Central Dogma of Molecular Biology

[Watch Video Solution](#)

## 20. Codon and Anticodon

[Watch Video Solution](#)

## 21. Population Interaction

[Watch Video Solution](#)

## 22. Types of Organism based on Temperature Tolerance

[Watch Video Solution](#)

## 23. Linkage vs Crossing Over

[Watch Video Solution](#)

## 24. Sickle Cell Anaemia

[Watch Video Solution](#)

## 25. Embryogenesis vs Blastogenesis

[Watch Video Solution](#)

## 26. Types of Syngamy

[Watch Video Solution](#)

## 27. Surgical Contraception (Vasectomy vs Tubectomy)

[Watch Video Solution](#)

## 28. G.I.F.T

[Watch Video Solution](#)

**29. Chasmogamous vs Cleistogamous flowers**

[Watch Video Solution](#)

**30. Microsporogenesis vs Megasporogenesis**

[Watch Video Solution](#)

**31. In-breeding and Out-breeding**

**Watch Video Solution**

## **32. Out-breeding and Out-crossing**

**Watch Video Solution**
