Watch Video Solution

7. Which are the effects of dry famine?

Watch Video Solution

8. Which are the destructive effects of Earthquakes?

Watch Video Solution

9. What is forest fire? What is its effect on environment?

Watch Video Solution

10. What is first aid?

Watch Video Solution

11. How can we offer first aid to victims of any disaster?

Watch Video Solution

1. Choose the correct alternative and write its alphabet against the sub question number:

Disasters definitely affect theof the nation

people

economy

security

employment

A. people

B. economy

C. security

D. employment

Answer: B

Watch Video Solution

2. Choose the correct alternative and write its alphabet against the sub question number:

If localis not strong enough, citizens become confused.

leadership

women

politicians

cattle

A. leadership

B. women

C. politicians

D. cattle

Answer: A

Watch Video Solution

3. Choose the correct alternative and write its alphabet against the sub question number:

.....Problems arise during the disaster.

local

Global

administrative

Private

A. local

B. Global

C. administrative

D. Private

Answer: C

Watch Video Solution

4. Choose the correct alternative and write its alphabet against the sub question number:

Stinking pollution caused due to decomposing corpses of humans and other animal is disaster.

environment

health

necessary

effective

A. environment

B. health

C. necessary

D. effective

Answer: A

Watch Video Solution

5. Choose the correct alternative and write its alphabet against the sub question number:

After the subsidence of any type of disaster, rehabilitation work is started in.....

later

transitional

terminal

ultimate

A. later

B. transitional

C. terminal

D. ultimate

Answer: B

Watch Video Solution

6. Choose the correct alternative and write its alphabet against the sub question number:

.....phase is highly complicated phase

Reconstruction

Recycling

Reuse

Redevelopment

A. Reconstruction

B. Recycling

C. Reuse

D. Redevelopment

Answer: A

Watch Video Solution

7. Choose the correct alternative and write its alphabet against the sub question number:

There had been a huge.....in the village malin, Tal. Ambegaon in 2014.

earthquake

storm

landslide

change

A. earthquake

B. storm

C. landslide

D. change

Answer: C

Watch Video Solution

8. Choose the correct alternative and write its alphabet against the sub question number:

The atomic energy plant at Chernobyl was used only for generating.....

electricity

solar power

atomic energy

agriculture

A. electricity

B. solar power

C. atomic energy

D. agriculture

Answer: A

Watch Video Solution

9. Choose the correct alternative and write its alphabet against the sub question number:

Supply of essential.....to the affected people can reduce the effect of the disaster.

food

water

commodities

money

A. food

B. water

C. commodities

D. money

Answer: C

Watch Video Solution

10. Choose the correct alternative and write its alphabet against the sub question number:

Keeping.....ready is a practice to check the preparedness of facing the disaster.

First aid

Mock drill

Ambulance

Fire brigade

A. First aid

B. Mock drill

C. Ambulance

D. Fire brigade

Answer: B

Watch Video Solution

11. Choose the correct alternative and write its alphabet against the sub question number:

Which of the following is man-made disaster?

earthquake

Flood

Meteor

Leakage of toxic gases

A. earthquake

B. Flood

C. Meteor

D. Leakage of toxic gases

Answer: D

Watch Video Solution

12. Choose the correct alternative and write its alphabet against the sub question number:

What should be done if gas cylinder at your house catches fire?

Water should be sprinkled

Sand, soil should be put on it

Cylinder should be covered with wet blanket
one should run away

A. Water should be sprinkled

B. Sand, soil should be put on it

C. Cylinder should be covered with wet
blanket

D. one should run away

Answer: C

Watch Video Solution

13. Which type of disaster is described in the following statements?

On 26th July 2005, entire suburban Mumbai was waterlogged.

Watch Video Solution

14. Which type of disaster is described in the following statements?

Elephants in the Bandipur forest started running helter and skelter due to smoke.

Watch Video Solution

15. Which type of disaster is described in the following statements?

many innocent people died in the bomb blast that occurred on 11th july 2006 in local trains.

Watch Video Solution

16. Which type of disaster is described in the following statements?

In Kutch, suddenly many school children were buried under the rubble.

Watch Video Solution

Sun spots: Atmospheric type of disaster::

Salinization:.....

Watch Video Solution

22. Find the correlation:

Pre-disaster management: Preparation and
warning::Post disaster management:.....

Watch Video Solution

23. Match the columns:

(1) Column A : Disaster	Column B : Type
(1) Earthquake and volcano	(a) Animal origin
(2) Snowfall and snowstorms	(b) Geological
	(c) Climatic
	(d) Terrorism

Watch Video Solution

24. Match the columns:

(2) Column A : Disaster	Column B : Type
(1) Aquatic weeds	(a) Animal origin
(2) Attack by locusts (insects)	(b) Plant origin
	(c) Geological
	(d) Climatic

Watch Video Solution

25. Match the columns:

(3) Column A : Disaster	Column B : Type
(1) Atomic tests	(a) Intentional
(2) Terrorism	(b) Unintentional
	(c) Geological
	(d) Animal origin

Watch Video Solution

26. Match the columns:

(4) Column A : Effect	Column B : Problem
(1) Contamination of water	(a) Economical (b) Environmental
(2) Collapsing of transport system	(c) Administrative (d) Geological

Watch Video Solution

27. Match the columns:

(5) Column A : Effect	Column B : Problem
(1) Spread of epidemics	(a) Economical
(2) Shortage of funds	(b) Administrative
	(c) Medical
	(d) Physical

Watch Video Solution

28. Match the columns:

(6) Column A : Effect	Column B : Problem
(1) Rift due to religions	(a) Economical
(2) Citizens getting confused	(b) Social
	(c) Political
	(d) Environmental

Watch Video Solution

29. Identify the type of disaster and describe the effects of the same in brief:

Terrorism

Watch Video Solution

30. Identify the type of disaster and describe the effects of the same in brief:

Soil erosion

Watch Video Solution

31. Identify the type of disaster and describe the effects of the same in brief:

Hepatitis

Watch Video Solution

32. Identify the type of disaster and describe the effects of the same in brief:

Forest fire

Watch Video Solution

33. Identify the type of disaster and describe the effects of the same in brief:

Famine

Watch Video Solution

34. Identify the type of disaster and describe the effects of the same in brief:

Theft

Watch Video Solution

35. Identify the type of disaster and describe the effects of the same in brief:

Accident at chernobyl.

Watch Video Solution

36. Write short notes:

Mock Drill OR

Mock Drill is useful - Give reason.

Watch Video Solution

37. Effective disaster management makes us well prepared for future. Explain why it is said like that.

Watch Video Solution

38. Give reasons:

When there are riots, the cities, town or villages show signs of tense atmosphere.

Watch Video Solution

39. Answer the following questions in detail:

Which are the disasters that make impact for longer duration? Give examples

Watch Video Solution

40. Answer the following questions in detail:

What types of disaster are the following?

Explain their impacts?

Floods

Watch Video Solution

41. Answer the following questions in detail:

What types of disaster are the following?

Explain their impacts?

War

Watch Video Solution

42. Answer the following questions in detail:

Explain in brief the sensitive issues of general public about disaster.

Watch Video Solution

43. Answer the following questions in detail:

Which are three aspects of disaster that are important for common citizens?

Watch Video Solution
